2016/5038/P	John D. Marr	324A West End Lane West Hampstead London NW6 1LN	03/10/2016 12:20:54	OBJ	As a direct neighbour living next door above 324 West End Lane I am concerned as to whether there is a proposal to use both or either of the floors above the estate agency. Another concern is exactly what purpose will this centre provide i.e. Is it to be used for people with either or both an addiction to drugs or alcohol. The entrance for people living above these buildings is via a cul de sac without any lighting which can sometimes attract unwelcome visitors who leave a mess. I am also aware of a drop in the value of my flat (which I own). Finally, would there be a likely increase in traffic on an already busy and sometimes dangerous junction with Crediton Hill? I would appreciate as much clarification on these points as possible.
