Development Management,
Camden Town Hall extension,
Argyle Street, WC1H 8EQ

Dear Sir or Madam,

Please find our planning application, tried to complete this online but it would not allow me to and after speaking to a Camden planner I was told to talk to the National Portal who are constantly engaged. Hence I send this application directly to you for approval and I can arrange to make payment soonest when required.

Pleased to hear how to progress with this application speedily

Yours Faithfully
