Your comments on the planning application

1.Taking our light  
The houses in this road were designed so that each pair have their original built on kitchens side by side, thus maximising the light in the rest of the area outside the original french windows/now conservatories. The proposed plans mean that our already North facing and not very light outlook will now have a brick wall, firstly from the extension and then from the proposed brick wall, for the greater part of the whole garden. This will block completely the low morning sunlight from the east which currently reaches the area outside our conservatory. The brick wall replacing the low

fence means more light will be lost. There is no mention of the height of the wall. Surely there must be some restriction on this?

2. Loss of permeable ground surface.

I am also concerned that if a large part of the garden is covered by an extension and then a paved or concreted patio an effect will be the neighbouring gardens becoming wetter. The bottom of our gardens and some of those in Aberdare Gardens adjoining ours already suffer from surface water in the winter..

It is important that the Planning Committee takes these issues and concerns into consideration when making a decision.
