2016/4662/P	C Rand	Langland gardens	05/10/2016 14:31:52	OBJEMPER	<p>Supplying car free parking and supporting use of public transportation is part of the LBC policies. Section 2.7 of the car park study supplied also supports the nearby availability of good public transport means. The study supplied has observed parking over a very short period of time, and during a time where many local residents are on holiday, therefore, there is less stress for on stree, resident bay parking, and or other on street parking at holiday times.</p> <p>The request should be denied and the enforcement of the legal agreement regarding car free parking remain.</p>
