2016/5183/T	C rand	Langland gardens	05/10/2016 15:26:40	COMMNT	The fig trees at the front were noted as local amenity and should remain for that reason. The trees which impact the structures of nos. 6 & 8 should be dealt with in accordance to the situation at hand. There were trees at no 8 which previously were noted as having a negative impact on no6, but I am unsure as to how or when this was dealt with by the previous owners of no 8.
