3. Description of the Proposal

Please describe the proposed works:

I propose to replace the 3 external front windows at my flat with replica windows to match the traditional style, materials and colour of the existing metal frame windows. The existing windows are poorly fitting and leak rain and dirt from Kingsway road outside. They are also very difficult to clean safely. The building is Grade 2 listed. Provided planning permission is granted I will do the work when the outside of the building is next redecorated.

If the Local Authority has preferred suppliers for replica windows, then these can be used.
