Dear James, I am a local resident in croftdown road, I am writing about the proposed planning development at the Mansfield bowling club. I strongly believe that the site does have value as a sports and leisure site - were it to offer sports / leisure opportunities for either myself or my children we would most definitely use them.

I feel most strongly that it would be a huge loss to the community for the site to simply become yet more flats and houses.

Yours sincerely, Chloe schneider
