Regeneration and Planning Development Management  
Town Hall  
Judd Street  
London  
WC1H 8ND

4 October 2016

Dear Sirs ,

**Reference 83-89 Saffron Hill London EC1N 8RT**  
**Planning Application to install two brick bond steel roller shutters to two adjoining entrances**

With reference to the above property I have been appointed by Ushborne Publishers to prepare a planning application for the provision of two brick bond steel roller shutters to the secondary entrances at the midpoint on the Saffron Hill elevation.

I enclose copies of my Planning Application, drawing, and supporting documentation and planning fee together with copies of letters to the owner of the freehold interest, their agent and my client.

From your records you will observe that a shutter was previously installed to the adjacent loading bay approved by London Borough of Camden on 30 September 2009 - planning application number 2009/3076/P and a brick bond shutter was approved and installed to the entrance by the loading bay under planning reference no 2015/3702/P.

Should you require any additional information please do not hesitate in contacting me?

Yours faithfully

Peter L Rice
