Dear Sirs,

I strongly object to the current proposal to build houses and flats on the site of the Mansfield Bowling Club. Since the bowling club land was dedicated public land and open space why should the owners of the bowling club be allowed to make a large financial gain with no benefit to the community. Also if this development is allowed to go ahead it will set a very bad precedent for any other similar situation in the area. There is a shortage of suitable buildings in this area for leisure and sport facilities. Therefore a new building replacing the bowling club with a leisure/sport centre would be very welcome and popular for both adult and children's activities.

Regards

Jill Wilkinson
