Dear Ms Walsh

As a local resident I would like to voice my strong objection to the appeal (by the developers) against Camden Council's decision regarding the future of this site. There is absolutely no need for more, relatively expensive, private housing in this part of North London. Sports facilities and/or a park area would be the best use of the land, social housing would be the next best. If this appeal is upheld it will be a "nail in the coffin" of this great city of ours.

Yours sincerely

Jonty Boyce
