Dear Ms Walsh

We are writing in response to the proposed planning application on the site of the Mansfield Bowling club.

The site is designated for leisure use and we urge Camden to respect this status. These areas are the life blood for the local community and need to be protected for the future benefit of the public. There is a huge demand for sporting activities in the area so there would seem to be no reason why the site shouldn't be protected. It was a gift by Burdett-Coutts and should benefit the local community.

All the best
Karen Katz and David Alberts
