Dear Sarah & Laura

Please find the attached 1:10 window drawings showing plans, elevations & sections and photographic survey for the above project.

Ground floor:

Front window is original and we are proposing to repair this

Rear window is original but in poor condition and we are proposing to replace this to match existing

First floor

Front windows 2no. are existing and we are proposing to repair both

Rear window is original but in poor condition and we are proposing to replace this to match existing

First floor landing

Rear window is original but in poor condition and we are proposing to replace this to match existing

Second floor

Front 2no. windows are not original and we are proposing to replace to match existing

Rear window is original but in poor condition and we are proposing to replace this to match existing

Please call if you have any queries.

We look forward to hearing from you.

Kind regards,

Tijen
