Please find a petition from Sidney Bayd
Court residents objecting to Planning
Application Ref: 2016 / 4804 / P

10th October 2016

Sidney Boyd Court Tenants' and Residents' Association

We the undersigned Object to the installation Of telecommunication masts, dishes and cabinets on the roof of Block 65-80 Sidney Boyd Court . The additional radiation that will effect residents, particularly children and older people is detrimental to health. We already have similar telecommunication on the roof of the main block.

We call on Camden Council Planning Committee to reject his application
