Subject: **Planning no application 2015/1444/P**

Dear Jennifer Walsh

Re planning no application 2015/1444/P

I wish to renew my objection to the appeal by Mansfield Bowling Club against the rejection by Camden of their application in January 2016 for the following reasons:

The site is one designated for leisure use and has always been so.

There is a great need in Camden for indoor leisure facilities for people of all ages.

Once MBC have built luxury housing on the site there is no guarantee that any promise of leisure facilities for the community will be kept. Any remaining open space will always be under threat, particularly once the site is sold to another developer.

Yours sincerely

Lynn Kramer
