I would be grateful if the planning office in considering any additional terms to be put on their decision be mindful of the fact that this illuminated fascia:

'Proposal Installation of internally illuminated fascia sign, to replace existing.'

is overlooked by the backrooms of many of the 42 flats in Knollys House. The internal illumination and the hours it is allowed to be on should be appropriate to this fact.

Yours

Richard Ekins

Resident of Knollys House

Secretary, Knollys House Residents Association
