2016/4953/P	Philippa Ahluwalia	38 Croftdown Road London NW5 1EN	16/10/2016 17:50:46	COMMNT	We have mentioned to Kate our concerns with the general level of noise from the proposed roof terrace as one of our bedrooms is in close proximity. We are also concerned with any light blockage to our side of the party wall.
