2016/5286/P	Emanuela Arvati	Flat 2 10 Minster Road London NW2 3RA	15/10/2016 18:36:51	COMMNT	We live in a flat in 10 MInster Road which is quite close to the school. We would like to know if consideration has been given for the extra traffic that this extention will create. It is already quite busy at dropping and picking up times at the moment. This will increase the number of children that will attend the school and I wonder if the school is encouraging parents to use public transport instead of driving or is considering organising a school bus.
