

NOTES:

1. All dimensions are in millimetres(mm) & levels in metres(m) unless noted otherwise.
2. Work to indicated dimensions only. Do not scale this drawing.
3. This drawing to be read in conjunction with all relevant Architects, Engineers and Specialists drawings and the specification.
4. All work to comply with the relevant British Standards, Codes of Practice and the Building Regulations.
5. This drawing is to be carefully checked by main contractor against site conditions and any discrepancy reported to KASHEC before construction commences.
