

2016/4953/P

Flat A, 40 Croftdown Road

Would it be possible, rather than removing the sash window on the proposed upper ground roof terrace, and replacing it with aluminium sliding doors, to add a timber doorway to the sash window as at the rear of No 50 Croftdown Road? Prefer any double glazed sliding doors to be timber framed, not aluminium. No objection to new deck area and refuse store at front. Prefer no more white painting of walls please; all other houses are unpainted brick.

2016/5153/P

69 Dartmouth Park Road

No objection; will keep the front wall similar to that of the neighbour's.

Thank you,

Eileen Willmott
