2016/4450/L	Linda Chung	Marty's Yard	20/10/2016 12:24:25	COMMNT	Also relates to 2016/4449/A A good application that is full and clear. I wish other applications relating to advertising and signage for the Hampstead High St businesses were so clearly shown as to the design and intentions. Simple and attractive with no jarring glaring lighting.
