| | | | | | No of support | 0 |
| Summary of representations | <p>The owner/occupier of no 7 Akenside Court has objected to the application on the following grounds:</p> <p>-no drawings found showing lights; more light pollution will be caused by the proposed lights following the approved planning permission for the removal of the louvres on the ground floor windows facing the flats; any lights should be directed downwards</p> <p>Officer response</p> <p><i>The only lights proposed under the current planning application are in relation to two wall mounted lights to the two sides of the entrance door on north-east front elevation. These are small and discreetly placed and will create any light pollution. The properties within Akenside Court are located on the west side of the application site and therefore they will not be affected</i></p> | | | | | |

| | |
|--|--------------------------------|
| | <i>by the proposed lights.</i> |
|--|--------------------------------|

Recommendation:-

Grant planning permission
