Dear Xhevahir Peka,

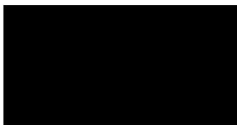

Thank you for your application to place a Scaffold on the public highway at 187 Camden High Street.

This application has been approved and I enclose a copy of your licence and board notice, which should be clearly displayed. Please note that you will need to notify TfL of your completed works as per the terms and conditions of this licence.

Please do not hesitate to contact the licensing team on the number above if you have any queries.

All standard conditions apply.

Yours sincerely

Tim Pope

Transport for London
London Streets

Pursuant to the Highways Act 1980, a Scaffold Licence at 187 Camden High Street is granted to:

Xhevahir Peka	61 Fern Grove Feltham Middlesex TW14 9AY
---------------	---

Upon the following conditions:

This licence is valid for the Camden High Street elevation only.

The scaffold will be erected/dismantled (struck) Monday to Friday between 10:00 to 16:00

A minimum of 1.5m footway width must be maintained for pedestrians at all times.

No cross braces at ground level.

Scaffold protection tubing or scaffold tube warning sleeves will be applied up to at least 1.8m with a minimum of 2.05m between standards dependant on design loadings, and a minimum of 2.4m headroom clearance, the scaffold will be signed and adequately lit during the hours of darkness.

The scaffold will never cover or impede any utility apparatus or street assets.

The license must be displayed on the structure at all times.

No parking on the footway, also any vehicles associated with these works will need a dispensation for parking on the red route during times of enforcement.

The licensee must implement any measures that TfL or undertaker (under the meaning of s48 of the New Roads and Street Works Act: 1991) reasonably requests for the purpose of protecting or giving access to any apparatus belonging to or used or maintained by them.

No advertising on scaffold except for the local business i.e. EE.

This consent is also subject to conditions as enclosed.

Limit of structure

The structure shall not exceed the dimensions below:

Street in which structure is required	Length	Height	Projection over public highway from back line of public footpath
187 Camden High Street	28	18.1	

MAYOR OF LONDON

SQA-8038 - Scaffold Licence

Scaffold Licence No: TFL07911

Transport for London hereby grants to:

Xhevahir Peka

Of Apt Scaffolding Ltd

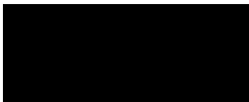

(The "licence") to erect and maintain scaffolding over the highway known as:

187 Camden High Street

Subject to the following terms:

1. No Scaffolding shall stand before 28/06/2016.
2. No Scaffolding shall remain after 28/03/2017.
3. No Scaffolding shall be erected by virtue of this licence except in the position specified in the licence application.
4. Apt Scaffolding Ltd hereby agrees to comply with the attached Conditions for Scaffold Licences.
5. Transport for London reserves the right to revoke this licence, by written notice to the licensee, in the event of any breach of the Terms and Conditions.
