Photographic Record of Brick Sample Panels built at the Site Offices at 172 Belsize Road, Camden, London NW6 4AQ, submitted to satisfy the requirements of Condition 26 (c) & (d):

Phase 1 Sample Panels - Details of materials, in respect of the following, shall be submitted to and approved in writing by the local planning authority, before the relevant part of the work is begun:

- c) A sample panel no smaller than 1m x 1m of the facing brickwork demonstrating the proposed colours, textures, face-bonds and pointing shall be provided on site and approved in writing by the local planning authority before the relevant parts of the works are commenced and the development shall be carried out in accordance with the approval given. The approved panel shall be retained on site until the work has been completed.
- d) A sample panel no smaller than 1m x 1m of the hit and miss brickwork at basement level demonstrating the proposed colour, texture, face-bond and pointing shall be provided on site and approved in writing by the local planning authority before the relevant parts of the works are commenced and the development shall be carried out in accordance with the approval given. The approved panel shall be retained on site until the work has been completed. The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

Details of the Sample Panels submitted are shown overleaf
