2016/5584/P	Jessica Learmond-Criqui	14A Redington Road London NW3 7RG	24/10/2016 19:51:59	OBJNOT	<p>I would like to add to my objections that Vodafone in their docs only reported 1 other site in the area. This is incorrect. According to the Valuation Office Agency, the following Vodafone sites are present in the immediate vicinity of Hampstead tube station.</p> <p>Vodafone Site (34652) At 3, Holly Hill, London, NW3 6QN Communication station and premises Not published £3,000</p> <p>Vodafone Site (48834) At 67, Hampstead High Street, London, NW3 1QP Communication station and premises</p> <p>Vodafone Site 04268 Roof Of Royal Free Hospital, Pond Street, London, NW3 2QG Communication station and premises</p> <p>Vodafone Site (8388) Roof Of Portland Court 38, Belsize Park, London, NW3 4ED Communication station and premises</p> <p>Vodafone Site (956) Roof Of The Marriott Regents Park Hotel 128, King Henrys Road, London, NW3 3SN Communication station and premises</p> <p>Vodafone Site 23024 On The Roof Of Alvanley Court 250, Finchley Road, London, NW3 7DX Communication station and premises</p> <p>Vodafone Site (72356) 16-18, Heath Street, London, NW3 6TE Communication station and premises</p> <p>Vodafone Site (72353) 33, Heath Street, London, NW3 6TR Communication station and premises</p> <p>Vodafone Site (72351) 91, Heath Street, London, NW3 6SS Communication station and premises</p> <p>These are all live sites. You can check them here:</p> <p>https://www.tax.service.gov.uk/view-my-valuation/list-valuations-by-postcode?postcode=NW3&startPage=75#search-results</p> <p>Vodafone should be refused simply for misrepresenting the number of sites they have in the area. The area is overrun with Vodafone sites and sites from other mobile phone operators for that matter.</p> <p>The area is well served by masts and does not need any more. Please refuse this application.</p>
