2016/5414/P	Kings Cross CAAC	44 Kings Terrace London NW1	24/10/2016 13:42:36	OBJ	<p>I would like to object to this application on behalf of the Kings Cross CAAC and the Friends of Argyle Square. This is a fourth rate Listed single family house for which there is plenty of demand, and it should remain in its original use.</p> <p>We assume the shaded brickwork on proposed application elevations is a graphic device only, and does not represent any building operation.</p>
