The proposal is to renovate the toilets in 57-58 Russell Square. The design principle for the proposal is to update the toilets for the use of the Society while respecting the existing fabric of the Grade II listed building.

The toilets are currently in need of modernization and refreshing. The current toilets are not original to the building but were installed to suit the Society's needs. In a similar way, the proposal is to refresh the existing facilities in order to better serve the Society.
