Subject: Objection to planning application ref 2016/5020/P

Dear Ms Constantinescu

Emailing you to express my objection to the planning application ref 2016/5020/P. As 57a Oseney Crescent is part of a conservation area I consider the proposal for a roof terrace at 57b Oseney Crescent with translucent screen completely inappropriate. Although I live on Caversham Road I have a good view onto the area in question and enjoy it as it is without such eyesores. I also consider that the roof terrace would be terribly invasive upon the neighbour living at 57a Oseney Crescent and detrimental to her mental well-being. Look forward to hearing from you Denis Maughan.
