2016/5380/P	Petrea Hoving	10 Well Walk	27/10/2016 16:30:52	OBJ	We object to this planning application. As residents of Hampstead, we frequently walk by Frognaal and see the property in question. We feel the proposed development would detract from the character of this stunning Conservation area.
2016/5380/P	Maja Herman I would like to	98 Heath street NW3 1DP	27/10/2016 18:11:48	COMMNT	I would like to put forward my opposition to the proposed plans for this build as the proposed house is completely out of character with its surroundings and the conservation area. I live close to the site & whilst the present building may not be listed, it has been there for a very long time & fits beautifully with its surroundings. To build a box in place of this house would be a terrible eyesore and completely out of character with the rest of Hampstead.
