2016/5676/P	Eugenie Lee	16 LancasterGrove Nw3 4PB	27/10/2016 18:50:52	OBJ	<p>I would very much like to bring to your attention my most distressed objection to further changes at no .18 Lancaster Grove.</p> <p>As such the house now being build is completely out of character with the local environment and by it large presence dominates my property at no 16 in a most unsightly way..</p> <p>I would welcome a visit by one of your team so that the facts as they are do not come from what could be tperceived as a prejudiced mind.</p> <p>Lancaster Grove is one of Camden's special street.</p> <p>Please help in preserving the quality of the neighbouring properties as well as mine.</p> <p>Thank you for taking time to read this.</p> <p>All other objections have been exhausted over a period of 5years. I hope you will uphold my objection and reject this application.</p> <p>Sincerely, Mrs Eugenie Lee</p>
