Dear Sirs,

**18/20 Lancaster Grove NW3  
Application Ref. 2016/5676/P**

I am writing to object to the above planning application. Permission was specifically granted in the past on the strict condition that all development rights were removed. I consider it extremely important that this type of planning application is strictly enforced; and therefore, quite apart from any other factors, that this application is refused.

Yours faithfully,

A.H.Kay
