2016/5411/P	Mal Parker	2 Frogna Close	29/10/2016 18:04:51	COMMEMP ER	Well thought out, well presented, thoroughly researched, and fully vetted by the relevant officers of the Council before submission, so there is nothing much left to say other than to welcome it. But, a very small carp - it would have been nice if they had asked the neighbours what they thought before finalising the scheme.
