2016/5571/P	Edward Troup	Flat 13 22 Red Lion Street	29/10/2016 15:20:38	OBJ	<p>I am the owner and resident of Flat 13, 22 Red Lion Street, adjoining 16-20 Red Lion Street.</p> <p>I would object to this application on the following grounds:</p> <p>The proposed (and extensive) open roof terraces will be directly adjacent to and overlook the existing terraces (west and east sides) of our flat and Flat 14, 22 Red Lion Street, with the potential for noise, visual and smoking intrusion by the occupiers of the office space (or residents if residential space is included in the development).</p> <p>The installation of external air conditioning units will increase the already high level of background 'fan' noise in the area, which currently means that we are unable to leave bedroom windows open at night.</p>
