Dear Mr Mistry

Appeal in relation to 15 Gayton Crescent, London NW3 1TT - APP/X5210/X/16/3148353

Thank you for your email sent to us on 3 August 2016 at 13:24. Kindly explain why:

1. The Legal Department of London Borough of Camden sent a letter dated 27 July 2016, running to 6 pages in length, to PINS but did not seek to copy that to us until one week later on 3 August 2016?
2. The Legal Department of London Borough of Camden at the same time sent to PINS a letter dated 27 July 2016 from us to you which was clearly headed, in bold, **Without Prejudice Save as to Costs?**

Yours faithfully

Ian Trehearne
