2016/5083/P	Alistair Whitmore	29 Achilles Road London NW6 1DZ	31/10/2016 14:46:39	OBJ	I object to the proposed rear extension which would be an intrusion into privacy of homes in Achilles Road and may well impact on the structural integrity of the wall at the end of our gardens. I have lived in my house since 1986 and remember when Berridge Mews was granted planning permission there were clear guidelines on distance and height of the development from our property.
