Dear Ms Powell,

UCL Wilkins Building, Portico Door

Application to discharge Condition 3 'Detailed design and materials' pursuant to Listed Building Consent APP/X5210/E/13/2205521

On behalf of my client, University College London ("UCL"), please find enclosed an application to discharge Condition 3 'Detailed design and materials' pursuant to appeal decision APP/X5210/E/13/2205521.

Listed Building consent (reference 2013/0401/L) was granted on appeal (reference APP/X5210/E/13/2205521) on 8 April 2014 for:

"Internal alterations involving removal of the internal vestibule doors in the Flaxman Gallery and installation of new glass and bronze framed internal doors."

Condition 3 of the consent states:

"Before the development commences, the detailed design, including typical sections at a scale of 1:2 and details of materials of the proposed doors shall be submitted to an approved in writing by the local planning authority. The development shall be carried out in accordance with the approved details."

The application to discharge Condition 3 has been submitted via the Planning Portal and includes:

- Drawings prepared by Stewart Fraser:
 - o General Plan and Elevation (drawing number 800702-01-02) at 1:20 at A1;
 - o Horizontal Section details (drawing number 800702-02-02) at 1:2 at A1; and,
 - o Vertical Section details (drawing number 800702-03-02) at 1:2 at A1.
- UCL Wilkins Building Portico Doors Design report prepared by Burwell Deakins Architects.
- Bronze sample (this has been couriered under separate cover).

The accompanying design report contains detailed visualisations of the proposed doors (external and internal) and detail of the proposed materials, including examples of similar doors installed elsewhere and the proposed bronze. The bronze sample has been couriered to Camden Council at the time of this submission.
