

Treehab Ltd is a team of highly experienced Tree Surgeons and Garden & Grounds Landscapers. We provide a wide range of services for all your tree care needs. Based in London, we are a professional company looking to provide an excellent standard of work at a reasonable price. We undertake the full spectrum of commercial and domestic tree care services, grounds maintenance and landscaping. We specialize in tree surgery, tree felling, and stump removal, pollarding and tree maintenance. We offer free quotations and advice and are available anytime (including a 24hr call out service).

Health and safety is paramount to us; not only of our team but also the general public. Treehab staff and sub-contractors hold all relevant NPTC certificates and qualifications and are fully insured.

All tree work is carried out according to BS3998 (latest addition). Our climbing equipment conforms to LOLER and machinery complies with PUWER. All machinery and equipment is regularly checked and updated to ensure it is safe and compliant with current legislation. Risk assessments are recorded for each operation to identify potential hazards enabling us to take positive steps to reduce any risk to persons and property.

We hold an environment agency waste carrier license and recycle 95% of all waste.
