Your comments on the planning application

Dear David fowler

I object to the plans submitted by Amacantar not to go ahead as this will give me less sky light and daylight.huge amount of light and sky light have already been taken from residents in Trentishoe Mansion back in the 80s when this was built and now a new planning wants to take more.this will give residents ill health if this planning goes ahead to add more height.

I object to the opening of the walk way/alley unless this can be locked of a evening ,it will be a magnet for druggies/sleeper/drunks & this will also add noise while
