**NOTIFICATION OF PROPOSED TREE WORK IN CAMDEN SQUARE CONSERVATION AREA AT  
ROCHESTER SQUARE GARDEN ENCLOSURE, CAMDEN**

Dear Mr Bell

I am writing on behalf of Eric Wragge and Francesca Anfossi to give notice of tree work in the Camden Square Conservation Area. The trees are within the central enclosure of Rochester Square, Camden, London NW1 9SA.

A specification of the intended work and supplementary information, together with a tree location plan, are attached.

The tree work responds to the vegetation-related requirement 3.iv of the s215 Notice, reference EN14/0310, of 16 February 2015.

You will see that the specification includes work that does not need to be notified to you: it is included here for transparency and to enable local people to comment, should they wish to do so. I understand that the land owners have sought the opinions of as many people as possible living around the square and the specifications reflect those comments.

Please do not hesitate to contact me if you need any additional information.
