2016/5427/P	Sanya Polescuk for Belsize Residents Association	8a Belsize Court Garages	06/11/2016 11:29:20	OBJ	The proposal comprises a combination of the solid, brick walls & green roof rear extension and glazed, conservatory type extension. This objection is only concerning the extent of the conservatory. Any new extension protruding beyond the extent of the existing brick extensions of the adjoining neighbours should be of lightweight, glazed, conservatory type construction. This in order to preserve the outline of the original development pattern of the terrace.
