2016/5682/P	Giles Ellwood	6 Tower Court London WC2H 9NU	02/11/2016 14:17:04 INT		I'm not convinced that the design and scale of the proposed ducting suit a listed 18th century court, but my bigger concern is that there's no increase in noise levels as a result of it. We all (four houses and about a dozen rental flats) share a light and air well with the applicant, which is especially important at night in summer months.
