Jennings for Bloomsbury CAAC	Flat Z 12-18 Bloomsbury Street WC1B 3QA	05/11/2016 20:30:08	COMMNT	<p>We consider this application inappropriate on grounds of excessive height.</p> <p>If the additional floors are approved, we object to the existing design - the new floors must be better integrated - the fenestration should be of the same configuration, design and scale as the existing. In terms of materials, there should be no metal cladding panels - these deteriorate rapidly and become unsightly. Redesign is needed.</p>
