

SCALE 1 : 10 @ A3

Technical drawing of a window frame showing the internal mechanism and dimensions. The drawing is a side view of a window frame with a sash. The sash is shown in two positions: a solid line for the closed position and a dashed line for the open position. The frame has a recessed area for the sash. Dimensions are given in millimeters. Key dimensions include: 164 (height of the frame), 103.5 (width of the frame), 56 (width of the sash), 173 (width of the frame), 40.5 (width of the frame), 60 (width of the frame), 20 (width of the frame), 56 (width of the sash), 173 (width of the frame), 40.5 (width of the frame), 60 (width of the frame), 20 (width of the frame). The drawing is labeled 'Inside' and 'Outside'. A note states: 'When window in closed position no balances visible on frame recess'. Another note states: 'Upper sash shown dashed above'.
