At present the buses, trains and Tubes at West Hampstead are overcrowded at Rush hours. In fact there will probably be an accident where people trying to cross from train @ Thameslink + Overland to Tube station at Rush hours. I take an early 7.30am train to KX @ Thameslink & it is packed. With the new blocks of flats in West Hampstead Sq. I cannot imagine what chaos there will be. Extra Flats @ 156 will be a disaster — Stop this application —
