2016/5809/P	Bianca Di Meglio	88 Torriano Avenue FLAT B	07/11/2016 16:25:24	COMMNT	<p>Dear Sir/Madame,</p> <p>I wish to object to this application as I am concerned about loss of light. If the works go ahead I will lose light on the First and Second Floor. Furthermore the proposed mansard roof extension will block the view on the top floor and will have a negative impact on my property.</p> <p>Please don't hesitate to contact me if you wish to visit my flat to see for yourself.</p> <p>Many thanks for your time,</p>
