Your comments on the planning application

Dear Sir or Madam,  
We would like to object to the extension proposed, and echo the comments already received. Although we understand the idea of a small extension at ground level enhances the lower level living space, and indeed has been a success at the adjoining house to that proposed (and indeed our neighbours in Belsize Road), we feel the proposed dimensions (depth and height) are too intrusive. We would suggest that matching up the dimensions to their neighbours at number 40 would be more acceptable.  
Yours sincerely
