Dear Ms Carr

**Development Zone W (Triangle Site), King's Cross Central, York Way,
King's Cross, N1 4AG**

Reserved Matters relating to the public realm within and around Development Zone W (also known as the 'Triangle Site') of the King's Cross Central (KXC) development, comprising landscape details for the Podium Garden, Northern and Southern Gateways and York Way, as required by conditions 2, 6, 7, 9, 11, 12, 13, 17, 21, 23, 25, and 26 of the Outline Planning Permission with reference 2004/2311/P.

Recommend No Archaeological Requirement

Thank you for your consultation dated 31 October 2016.

The Greater London Archaeological Advisory Service (GLAAS) provides archaeological advice to boroughs in accordance with the National Planning Policy Framework and GLAAS Charter.

Having considered the proposals with reference to information held in the Greater London Historic Environment Record and/or made available in connection with this application, I conclude that the proposal is unlikely to have a significant effect on

heritage assets of archaeological interest.

Zone W lies outside the main areas of industrial archaeological interest in an area where only former trackbeds are expected.

No further assessment or conditions are therefore necessary.

Please note that this response relates solely to archaeological considerations. If necessary my Historic Buildings and Areas colleagues should be consulted separately regarding statutory matters.

Yours sincerely
