Full Planning Permission Granted

Address:
Flat A
12 Kingdon Road
London
NW6 1PH

Proposal:
Erection of a conservatory extension to rear of ground floor flat.

Drawing Nos: Site location plan; Block plan; Existing Plan and Rear Elevation; Existing Side Elevations; Proposed Plan and Rear Elevation; Proposed Plan and Elevations.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans; Site location plan; Block plan; Existing Plan and Rear Elevation; Existing Side Elevations; Proposed Plan and Rear Elevation; Proposed Plan and Elevations.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 Reasons for granting permission.

The proposed single storey conservatory is considered acceptable in terms of its design, scale, and materials. The existing structure would be replaced with an improved design of similar dimensions, would be more sympathetic with the features of the building and therefore subordinate to the host property.

Due to the proposed conservatory's limited size and the open nature of the rear garden, the proposal will not cause any detrimental harm to the amenity of adjoining neighbours in terms of loss of light, outlook, privacy or increased sense of enclosure.

No comments were received prior to making this decision. The planning history of the site and relevant appeal decisions were taken into account when coming to this decision.

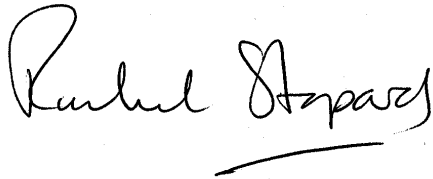

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, policies DP24 and DP26 of the London Borough of Camden Local Development Framework Policies and policy 2 of the Fortune Green and West Hampstead Neighbourhood Plan. The proposed development also accords with The London Plan March 2016 consolidated and the National Planning Policy Framework.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
