The Council has considered your application and decided to grant approval of details.

Informative(s):

- 1 Reasons for granting approval:

The application seeks to discharge Condition 77 of planning permission 2013/4678/P (for comprehensive phased redevelopment of site) granted on 16/05/2014.

Condition 77 requires the submission and approval of a Construction Management Plan (including an Air Quality Assessment) prior to the commencement of any phase of development, including demolition.

The details submitted have been reviewed by the Council's Environmental Health Section and Transportation Section, in consultation with Transport for London, who both consider the information sufficient to meet the requirements of the condition.

No objections have been received prior to making this decision. The sites planning history and relevant appeal decisions were taken into account when coming to this decision.

The details submitted have been assessed in relation to the approved scheme, the site and its surroundings. They are considered sufficient to satisfy the requirements of Condition 77 and the details provided are in general accordance with Policies CS5 and CS11 of the London Borough of Camden Local Development Framework Core Strategy and policies DP16, DP17 and DP26 of the London Borough of Camden Local Development Framework Development Policies.
