

**PROPOSED DRAWINGS
ELEVATIONS**

KEY

1. Existing brickwork to be inspected for general maintenance, made good and repointed to match existing pointing as necessary.
2. Existing single glazed timber sash windows to be stripped down, made good and painted white to match existing.
3. Roof work to be inspected and made good as necessary, no structural elements are to be altered with prior correspondence with Camden Council. All tile repairs are to match existing.
4. Extents of extensions as per previously consented scheme, reference: 2015/3790/P & 2015/4558/L. Brickwork and mortar to match host building.
5. New double glazed timber sliding sash window to replace existing uPVC window.
6. All exterior drainage penetrations to be inspected and made good, existing non-metalwork pipework to be replaced with cast aluminium piping.

Note:

None of the existing fabric, including floor boards, door joinery, plasterwork, skirtings, cornices, dado caps, picture rails and ironmongery, are to be altered or removed unless otherwise shown on the drawings.

Penetrations through external envelope serving existing second floor bathroom are to be infilled with brick and mortar to match existing, brickwork to be toothed in.
