Partition upgrade (Plan) 1:10 @ A3

Detail 5001

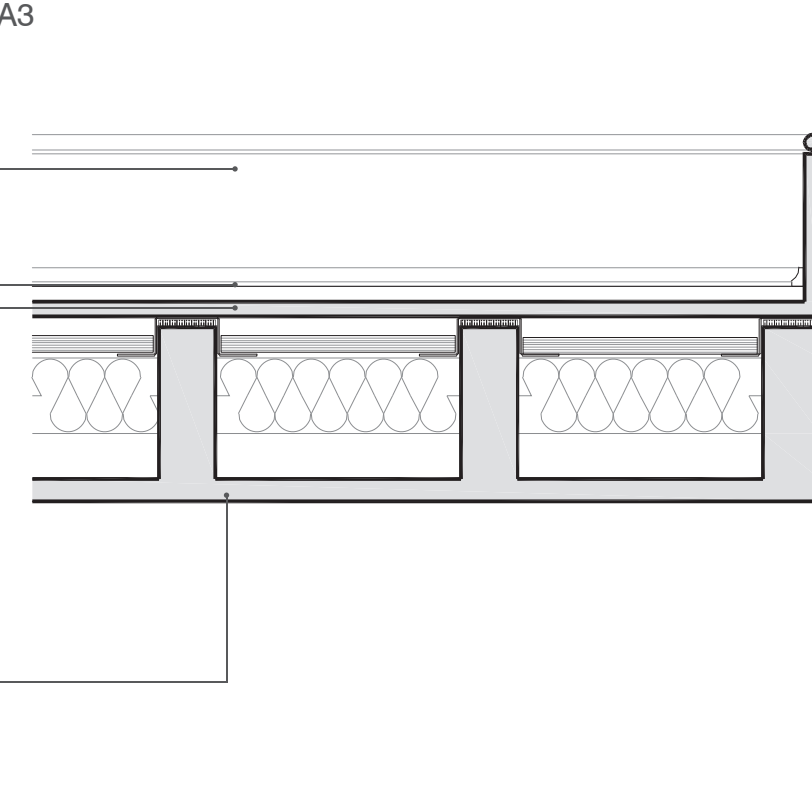

Ceiling upgrade (Section) 1:10 @ A3

Historical skirting to be refurbished where present.

20mm floor finish. Finish TBC

Historical floorboard to be carefully lifted to upgrade existing floor structure. Levelling of floor as appropriate. Acoustic dampeners/ felt strips to top of joists. Gyproc top hat supporting FR board with acoustic insulation below (Isover APR1200 or similar approved). Allow for service distribution zone.

Existing ceiling to be left in tact and protected throughout duration of works.

NOTE:

1. Ceiling / Floor upgrade to be applied between ground and first floor only to provide appropriate separation between residential units.
2. Partition upgrade to be applied at ground level only to internal wall between hallway of upper unit and dining / lounge of lower unit.

COMPARTMENTALISATION DETAILS. DRAWING no. 5000. 1:50@A3
